Sir,

Subject - Compound wall to Seth Mohandas Thulasidas Municipal Hospital for women

---

I write to state that the above Hospital was constructed during the year 1949. No provision had been made for compound wall. But it was later realised that it was really necessary to put up a compound wall.

The Council therefore sanctioned at their meeting held on 30-4-53 an estimate for Rs 8400/- for putting up such a wall as per plan enclosed. This has been duly scrutinized by the Superintending Engineer.

I enclose herewith a copy of the resolution together with the estimate and plan duly scrutinized and request that orders of Government may kindly be obtained sanctioning the estimate and communicated.

The cost will be met out of the balance of contribution available at credit to the extent of about Rs. 3600/- and out of the provision under D1 Building (Original) for the remaining amount

Yours faithfully,
